

Support Mission Motorsport when you shop or sell on **eBay**. This is made possible by the **eBay for Charity** program which has helped eBay buyers and sellers donate hundreds of millions of dollars to thousands of charities (and we're one of them!)

- Make us your favourite! First, personalise your shopping experience to benefit our organisation by making us your favourite charity on eBay. This will help us more than you know.
- Donate to us in eBay checkout: By making us your favourite, you will automatically see Mission Motorsport as your preferred charity when you buy anything on eBay, making it easy to add £1 or more upon checkout.
- Sell your items to benefit us: Last but not least, help us instead of a thrift store: sell your used items on eBay and donate as little as 10% (1% for vehicles) or up to 100% of your sale to benefit us. When you sell, simply look for the eBay for Charity signature blue and yellow ribbon next to "Make a donation." Check out the benefits you'll receive:
  - eBay will waive your Final Value Fees to the extent you donate. (e.g. donate 20% and see 20% of your Final Value Fees waived)
  - The tax credit from all your donations is yours to keep
  - Items that benefit charity sell better, as buyers trust sellers that support charity more
  - Help the world by upcycling/recycling. Plenty of items that might otherwise end up in landfill can be readily used by others that may not have the means to buy something new
  - Feel good for doing good!
- Sell your used vehicle to benefit us: Unlike other charity auto programs, you can sell your used vehicle on eBay and donate up to 100% to benefit Mission Motorsport. This often can result in a larger donation than the £500 or less you may receive from a dedicated charity auto program.
